Instructions for Data Entry

All Fields must be entered for form to be accepted by the system.

Hours - When you enter the hours that is the total hours for the activity (event). This is a change from the old form, we are not worried about the number of members that attended the event or the hours each member worked, just the total hours your Post or Auxiliary worked that event.

Miles - Enter the total of all miles driven to the event and back to the members home. **Do not include any cost of fuel in the Dollars Spent/Donated block.**

Dollars Spent/Donated – Enter any Dollars Spent/Donated in support of your event. This includes events like donations to the National Home (Nevada House), VMS, Buddy Poppies, or other VFW mandatory events. (Use 1 hour for QM time on report).
